We believe you would bring a great dynamic to this project.  
If you feel that this project is not your cup of tea but would like to suggest another individual feel free to do so.  
This project will be a major television network project and we can use many people like you to make sure the Vampire culture is properly represented.

Here are the most details we are able to provide to the public.  
So we can forward the studio all of your information, please send back your full bio, images, and any links you might have.

**COMING SOON**

**Major Television Production**

International television production studio with hundreds of completed and acclaimed reality television series is searching for many different types of Vampires.

If you consider yourself a unique version of what is known as a Vampire or if you are able to blend into society as a secret Vampire, we want to beautifully tell your story.

Immediate casting for a large scale much anticipated classic docu-series for national television broadcast is happening now!

**Send an Email**

Include 100 words detailing what makes you a Vampire. Attach 1 - 5 images and any links which best represent you as a Vampire and a person or individual. All types should apply. Complete show, production studio, & network details will be disclosed in the second round of casting selection.
